Dear Sir

**RE: REGISTRATION OF ECO ENERGY TRADING ROODEKOP SITE, LOCATED ON CORNER RAIL ROAD AND CANNON CRESCENT ROODEKOP, GERMISTON FOR THE STORAGE OF GENERAL WASTE**

The above registration has reference.

The Department hereby acknowledges receipt of the general waste registration form received by the Department on **25 July 2018** for the registration of **Eco Energy Trading CC, Corner Rail Road and Cannon Crescent, Roodekop, Germiston.**

The waste facility is for:

The storage of general waste within an area covering **5750 m<sup>3</sup>** of **2905 tons of waste vegetable oil per month** in an operational area covering **7000 m<sup>2</sup>**. Listed in terms of Government Notice R 921, Category C activity 1 of 29 November 2013 as amended:

Activity 1: *"The storage of general waste at a facility that has the capacity to store in excess of 100m<sup>3</sup> of general waste at any one time, excluding the storage of waste in lagoons or temporary storage of such waste"*

The footprint of the entire waste facility is **7000 m<sup>2</sup>** in extent and is located at Corner Rail Road and Cannon Crescent, Roodekop, Germiston which falls within the jurisdiction of the City of Ekurhuleni.

Therefore, the facility must comply with the requirements set out in the attached National Norms and Standards for Storage of General Waste, 2013.

<b>Coordinates:</b>	<b>Latitude</b>	<b>Longitude</b>
Corner A:	26°18'17.12"S	28°11'40.34"E
Corner B:	26°18'17.53" S	28°11'40.94"E
Corner C:	26°18'17.53"S	28°11'40.19"E
Corner D:	26°18'18.04"S	28°11'39.57"E

The department records show that the waste facility is registered as a waste **recovery or recycling facility for the sorting of waste and as a transfer station for the storage of**

waste in the Gauteng Waste Information System (GWIS), and must continue reporting of waste quantities recovered by login on to <http://www.gwis.gpg.gov.za/> on a quarterly basis.

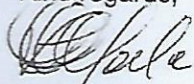

Furthermore, the Department hereby notifies **Eco Energy Trading CC, corner Rail Road and Cannon Crescent, Roodekop, Germiston**, that the waste facility has been registered on the Departmental database for the storage. The Compliance and Enforcement Directorate of this Department may inspect the waste storage and sorting facilities at any time to verify compliance with the requirements as stipulated in terms of the National Norms and Standards for the Storage of Waste, 2013.

Please note that a person commits an offence if that person - contravenes or fails to comply with the Norms and Standards established in terms of the National Environmental Management: Waste Act, 2008 (Act No. 59 of 2008), as amended. Upon conviction for such an offence, **a person is liable to a fine not exceeding R5 000 000.00 million or to imprisonment for a period not exceeding 5 years**, or to both such fine and such imprisonment, in addition to any other penalty or award that may be imposed or made in terms of the National Environmental Management Act, 1998 as amended.

It remains **Eco Energy Trading CC, Corner Rail Road and Cannon Crescent, Roodekop, Germiston** 's responsibility to ensure that the operation of the waste facility, remains in line with the current and applicable legislation.

Should you have any queries regarding the contents of this letter, please contact Salphina Bilankulu on the above-mentioned contact details.

Kind regards,

Ms Z. Smale
